

## Recommendations – Annual Assurance Statement 2024

Below are the recommendations from this year's Annual Assurance Statement. Subject to Committee approval, these will be incorporated into the actions tracker and reported on a quarterly basis to the Assurance sub-Committee (with any concerns being highlighted to the Management Committee).

Ref	Recommendation	Responsibility
EH1	Staff and Committee training on Equalities following a review of the policy in 2025	CSAM
AN1	Review arrangements for reporting on the actions of the annual assurance statement to tenants	CSAM
SGFM7.7	Set a dedicated time for reviewing previous business plans at each Strategy Away Day	CSAM
AN3.1.5	Consider whether to implement equalities impact report on each Management Committee paper	CSAM
AN3.1.30	Review and update the format of asbestos information held	DD/SMO
AN3.3.6	Consult with tenants about format of performance information	CSAM
